## Charging your devices via the Built-In USB-C Cable or USB-C Port
Note:
Use the built-in USB-C cable to achieve fast charging. Alternatively, enhance wireless charging speed by not using your phone and shutting down apps with high power consumption.
When your device is charged via the built-in USB-C cable, wireless charging will be automatically disabled. Press the power button twice to reactivate wireless charging mode.

Recharging Your Power Bank

Recharge your power bank via the built-in USB-C cable or USB-C port.
