

Anker Charger (240W, 4 Ports)

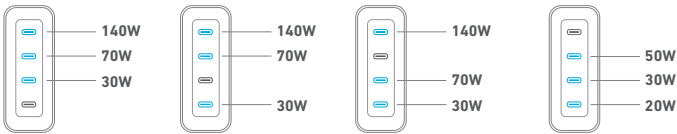

Single-Port Charging

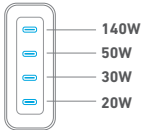

Two-Port Charging

Three-Port Charging

Four-Port Charging

Connect the charger's USB-C1 port to a 16" MacBook Pro using a USB-C to MagSafe 3 cable to achieve a power output of 20V==5A or 28V==5A per port. Similarly, USB-C2, USB-C3, or USB-C4 can each provide a maximum power output of 20V==5A when using the same cable.
