

# Product Change Notice \_ Anker SOLIX X1\_C5-20241130 - Americas<sup>1</sup>

Hello partners,  
First, thank you for continuing to support Anker SOLIX.  
We're adjusting our installation manual to better serve you and ensure optimal equipment performance.  
Please review the specific changes below.

## 0. Abstract

The updated installation guidelines are as follows:  
"Do not install the equipment outdoors in salt-affected areas to prevent corrosion. These areas typically include regions within 984 ( ± 164) feet / 300 ( ± 50) meters of the coast or prone to sea breezes\*. In such areas, install the equipment indoors or in a sheltered location."  
The PCN is intended for installers.  
Please continue for more details.
