NOTICE

Use of the Works with Apple badge means that a product has been designed to work specifically with the technology identified in the badge and has been certified by the product manufacturer to meet Apple Find My network product specifications and requirements. Apple is not responsible for the operation of this device or use of this product or its compliance with safety and regulatory standards.

Hereby, Anker Innovations Limited declares that this device is in compliance with The Product Security and Telecommunications Infrastructure (Security Requirements for Relevant Connectable Products) Regulations 2023. For the Statement of Compliance, visit the Web site <https://www.eufy.com/uk/psti-related>.

 This product complies with the radio interference requirements of the European Community.

Declaration of Conformity
Hereby, Anker Innovations Limited declares that this device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. For the declaration of conformity, visit the Web site: <https://uk.eufylife.com/>.

Do not use the Device in the environment at too high or too low temperature, never expose the Device under strong sunshine or too wet environment. The suitable temperature for the product and accessories is -20°C to 60°C.

Default Open Port: BLE (Bluetooth Low Energy)

Port Description:
After the device is powered on, BLE broadcasting will automatically start, providing Bluetooth-based network configuration (or control) services. The Bluetooth service will be disabled when the device is powered off.

WARNING

- INGESTION HAZARD:** This product contains a button cell or coin battery.
- DEATH or serious injury can occur if ingested.**
- A swallowed button cell or coin battery can cause **Internal Chemical Burns** in as little as **2 hours**.
- KEEP new and used batteries OUT OF REACH of CHILDREN**
- Seek immediate medical attention** if a battery is suspected to be swallowed or inserted inside any part of the body.

Remove and immediately recycle or dispose of used batteries according to local regulations and keep away from children. Do NOT dispose of batteries in household trash or incinerate.

Even used batteries may cause severe injury or death.

Call a local poison control center for treatment information.

The compatible battery type is CR2032. The nominal battery voltage is 3V

Non-rechargeable batteries are not to be recharged.

Do not force discharge, recharge, disassemble, heat above 60 or incinerate. Doing so may result in injury due to venting, leakage or explosion resulting in chemical burns.

Ensure the batteries are installed correctly according to polarity (+ and -).

Do not mix old and new batteries, different brands or types of batteries, such as alkaline, carbon-zinc, or rechargeable batteries.

Remove and immediately recycle or dispose of batteries from equipment not used for an extended period of time according to local regulations.

Always completely secure the battery compartment. If the battery compartment does not close securely, stop using the product, remove the batteries, and keep them away from children.

RF exposure information:

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Votre produit est conçu et fabriqué avec des matériaux et des composants de haute qualité recyclables et réutilisables.

Ce symbole signifie que le produit ne doit pas être jeté avec les déchets ménagers et qu'il doit être remis à un centre de collecte approprié à des fins de recyclage. Une élimination et un recyclage appropriés contribuent à protéger les ressources naturelles, la santé humaine et l'environnement.
Pour en savoir plus sur l'élimination et le recyclage de ce produit, contactez votre municipalité, le service d'élimination des déchets ou le magasin où vous avez acheté ce produit.

ITALIANO AVVISO

Questo prodotto è conforme ai requisiti della Comunità europea relativi alle interferenze radio.

Dichiarazione di conformità

Con il presente documento, Anker Innovations Limited dichiara che questo dispositivo è conforme ai requisiti fondamentali e alle altre disposizioni correlate previste dalla direttiva 2014/53/UE. Per la dichiarazione di conformità, visitare il sito Web: <https://uk.euylife.com/>.

Non utilizzare il dispositivo in un ambiente con temperatura eccessivamente alta o bassa, non esporre il dispositivo alla luce solare diretta o in un ambiente troppo umido. La temperatura più idonea per il prodotto e gli accessori è da -20°C a 60°C.

ATTENZIONE: Le batterie a bottone / a cella a moneta al litio sono pericolose, sia che siano nuove o usate! Tenere le batterie lontane dai bambini. Se ingerite o inserite in qualsiasi parte del corpo, le batterie possono causare lesioni gravi o mortali in 2 ore o meno. Cercare immediatamente assistenza medica in caso di sospetto.

VOORZICHTIG: Lithium knoopcel-/muntcelbatterijen zijn gevaarlijk, of ze nu nieuw of gebruikt zijn! Houd batterijen weg bij kinderen. Als ze worden ingeslikt of in enig deel van het lichaam worden geplaatst, kunnen batterijen binnen 2 uur of minder ernstige of fatale verwondingen veroorzaken. Zoek onmiddellijk medische hulp als dit wordt vermoed.

Dit product voldoet aan de vereisten voor radio-interferentie van de Europese Unie.

Verklaring van conformiteit

Hierbij verklaart Anker Innovations Limited dat dit apparaat voldoet aan de essentiële vereisten en andere relevante bepalingen van Richtlijn 2014/53/EU. De verklaring van conformiteit vindt u op de website: <https://uk.euylife.com/>.

Gebruik het apparaat niet bij een te hoge of te lage temperatuur en stel het apparaat nooit bloot aan sterke zonlicht of een te natte omgeving. De geschikte temperatuur voor het product en accessoires is -20 °C tot 60 °C.

VOORZICHTIG: Lithium knoopcel-/muntcelbatterijen zijn gevaarlijk, of ze nu nieuw of gebruikt zijn! Houd batterijen weg bij kinderen. Als ze worden ingeslikt of in enig deel van het lichaam worden geplaatst, kunnen batterijen binnen 2 uur of minder ernstige of fatale verwondingen veroorzaken. Zoek onmiddellijk medische hulp als dit wordt vermoed.

Este produto cumpre as normas de interferências de rádio da Comunidade Europeia.

Declaração de Conformidade

Por este meio, a Anker Innovations Limited declara que este dispositivo está em conformidade com os requisitos essenciais e outras disposições relevantes da Diretiva 2014/53/UE. Para consultar a declaração de conformidade, visite o site: <https://uk.euylife.com/>.

Não utilize o Dispositivo em ambientes com temperaturas demasiado altas ou baixas e nunca exponha o Dispositivo a luz solar forte ou a ambientes demasiado húmidos. A temperatura adequada para o produto e os acessórios é entre -20°C e 60°C.

CUIDADO: Baterias de lítio tipo botão/moeda são perigosas, sejam novas ou usadas! Mantenha as baterias longe das crianças. Se forem engolidas ou colocadas em qualquer parte do corpo, as baterias podem causar lesões graves ou fatais em 2 horas ou menos. Procure atendimento médico imediato em caso de suspeita.

本製品は、リサイクルおよび再利用が可能な高品質の素材および部品を使用して設計・製造されています。
